Weare Open Space Committee

Minutes of October 27, 2009

Members attending: Steve Najjar, Ian McSweeney, George Malette.

Guests: none

Chairman Najjar called the meeting to order at 7:00 pm.

Minutes of the August meeting: Steve voted to approve the minutes amended, Ian seconded the motion and the minutes were approved 2-0-1 (George abstained)

Hawkes update– Steve reported that Shawn Hawkes wants to hold off on the closing of the additional 30acre parcel until March 2010. The committee did not see any concerns with a March closing and are in support of landowner's request.

Verna Martin – Eric Masterson (PLC) emailed Steve requesting financial support for this conservation project. The email mentioned the property's location and size, but did not provide any other details. The committee would like additional information on this project before responding to the request. George suggested ranking priorities before we approve funds (once we have additional information on this request). Steve will follow up with Eric to obtain more information.

Beaudrault – the property has been sold to a private party who presently are not interested in doing anything with their land.

The committee discussed the potential asphalt plant planned for property within Melvin Valley.

Other potential projects were discussed.

There being no further discussion, George made the motion to adjourn. Ian seconded the motion, all voted yes and the meeting ended at 8:10 pm.

Respectfully submitted,

Ian McSweeney
WOSC (acting) Secretary

Cc: Town Clerk, BOS, Merry Rice, WOSC files
